Dear Vendors,

Please read below and find new regulations that the state of Vermont is requiring all fairs do.

"Promoters of events with 25 or more vendors selling taxable items must provide a list of participating vendors at least one day prior to the event. The list must include the vendor's name and business tax account number. The promoter must notify the Vermont Department of Taxes within 10 days after the event if there are changes to the original list of participating vendors. Examples of these events include flea markets, shows, exhibitions, etc.

If you sell taxable items in Vermont, you must obtain a business tax account and license from the Vermont Department of Taxes and collect and remit tax on those sales. This requirement applies for all sales even if the sales are for one day or throughout the year.

Please fill out the information below and return to me by July 1st, so that we can submit the information to the state. If you have any questions please let me know.

Thanks,
Nicole
